## Mask Distribution

In July MRCI had a mask distribution at our Rosemount and Mankato locations. We appreciate all those who came out to pick up free masks.

MRCI was able to secure more masks in the past couple of weeks from the Department of Health and Human Services. If you would like to have a set of masks mailed to you please [click here](#).

As a reminder, Executive Order 20-81 requires Minnesotan's to wear a face covering in all indoor businesses and public indoor spaces.

## Electronic Visit Verification (EVV)

Over the past several months, the MRCI staff have been enrolling workers and families onto the EVV system for the Personal Support, Respite and PCA Choice programs.

CASHÉ

We are so appreciative of all the positive feed back on the Cashe system. If you have not signed up for EVV and would like to please call our office at 800-829-7110. Our staff will continue to be reaching out as we come to the end of 2020.

## Participant Dashboard

Just a reminder for the programs of CDCS and CSG, if you signed up for Participant Dashboard to view the monthly expense reports, MRCI will no longer be mailing your a copy of the report. MRCI will send you an email reminder to log into Participant Dashboard to view your expense report.

If you are interested in signing up for online expense reports for the programs of CDCS and CSG click [here](#) to enroll.

## Future Communications

We're going paperless! Coming in 2021, all mass communications from MRCI Client Directed Services will be sent directly to your email address.

*Contact us today to make sure that we have your current email address on file.*

## 2020 Training Schedule

Each year MRCI is required to assign training to all workers under the 245D programs of Personal Support and Respite. Below is the calendar of when the training will be assigned.

Training is assigned in the beginning of the month and is due by the last day of the month. If your worker **does not** complete the training they will be *temporarily suspended* and not able to clock in or out through the app, or be paid for the time worked until complete.

If you have questions regarding the completion of the training you can connect with our program staff at 800-829-7110.

Month:	Subjects:
August	Client Rights, 2020 Updated Policies
September	Positive Supports Rule
October	CSSPA Review, Person-Centered Planning, Sexual Violence

**Homemaker Staff:** MRCI now is including the Positive Support Rule training annually. The training has been assigned, please log in and complete by the end of August.
